Hey Church Family,

I guess I would have to say that Fall is my favorite time of the year. As many of you know I enjoy some football, deer hunting, and definitely some cooler temperatures.

I am in awe of all that God has done this summer through our church.

Salt Up, the Virginia Mission Trip, Look Up, the Baltimore Mission Trip, our Sunday services, and the consistency of our tithes and offerings should bring us all to a place of giving Him glory and honor. BTW don't forget to check out highlights from all our camps and trips on the app.

As I think about what God has done, it makes me excited about what He is going to do. I encourage you to take note of all the upcoming dates in this newsletter and plug in everywhere you can.

I invite you to join with me and together let's thank Him for what He's done, doing, and going to do!

Thank you for being a continued blessing to me and my family.

Love and appreciate you all!
Pastor Tim
