

Faith Looks Like Something

Mark 7:27

He said to her, "Let the children be fed first. For it is not right to take the food of the children and throw it to the dogs."

This was a strong statement that Jesus made to a woman that came to ask Him to heal her daughter.

Jesus was telling her that she had no right to ask for healing, since she wasn't Jewish.

Wisely and remarkably, this woman humbled herself and pleaded for mercy instead of trying to demand her rights.

She didn't have any rights. And when Jesus had mercy on her, she returned home to find her daughter healed.

It's that simple. She received based on Jesus, not on what she deserved.

You can perceive this to almost be mean or at least dismissive, but the greatness of this story is often missed.

She did not go to Jesus to have him lay hands on her daughter.

This mother took her daughter to get healed!

Faith Looks Like Something

Her faith was the key to her daughters healing, but it took action that activated her faith to bring healing

Faith actually looks like something - Randy Clark

Why Isn't Everyone Healed?

Many of you may wonder, *If God heals today, then where is it?*

How do I get it to manifest?

You believe it works, but you don't know how.

Maybe you've seen someone stand and not get healed.

Or maybe you have stood for your own healing and have not seen it manifest.

Whichever it is, your faith has been shaken as a result.

Well, I want you to know that God wants you well.

One of the things you have to be convinced of before you even approach this is that healing is in Christ's atonement.

Look at what it says here in 1 Peter, talking about Jesus:

1 Peter 2:24

He himself bore our sins in his body upon the cross, so that, free from sin, we might live for

Faith Looks Like Something

righteousness. By his wounds you have been healed.

Notice how it says his wounds you have been healing!

It's yours!

It's one of the things Jesus bought for you through His sacrifice! And this verse says, "You were healed" **PAST TENSE!**

This is such a clear statement that I wonder how any Christian could **not believe** that.

Even some who believe God can heal don't believe He will or has already healed.

It's Hard to overcome the flesh, when it's sick or broken, but you are healed!

When everyone and everything you see say's your broken, but God say's I have already healed you.

They say things like, "Well, God heals but not all the time.

Sometimes it's not His will."

But it's hard to argue with a past-tense statement like that of 1 Peter 2:24. **AMEN!**

Okay Lets take it a step furthure.....

Prophetic Confirmation of Healing

Faith Looks Like Something

A prophecy Isaiah gave in Isaiah 53, which says,

Isaiah 53:5

*But he was pierced for our sins,
crushed for our iniquity.*

*He bore the punishment that makes us whole,
by his wounds we were healed.*

Some people try to make this mean that Jesus only took stripes for our spiritual healing.

Well, he did suffer for our spiritual health, but let's look at how the prophecy was fulfilled,

in *Matthew 8:16-17*

16 When it was evening, they brought him many who were possessed by demons, and he drove out the spirits by a word and cured all the sick,

17 to fulfill what had been said by Isaiah the prophet

Isaiah prophetic word was because Jesus suffered for your healing, IT NOW BELONGS TO YOU!

Healing Belongs to You

Healing is the children's bread. *Mark 7:27 "Let the children be fed first"* is now fulfilled It's your portion.

It's what God has given to you.

If you're a Christian, healing belongs to you!

Faith Looks Like Something

If you just meditate on this for a while, it'd go a long way in seeing healing manifest.

You'd just realize, I don't have to be sick!

Many people believe that God wants them healed, but they don't understand how it works.

I've got a lot of revelation on this.

Real-Life Healing Stories

I was watching videos of healing last-night with Randy Clark as he is seeing healing being FAITHED out in front of him.

FAITHED OUT = Your body is beginning to experience healing as your faith is growing at that moment your body is being completely healed.

Woman had rods and screws in her legs.....

Manifestation of Healing

How did this happen? She got hold of the truth that by Jesus' stripes, she was healed, and then with childlike faith—BOOM—her healing manifested!

Let me share with you one more testimony. This one's about Mike

Mike went to our church in Arizona, I knew him well his kids were in my youth ministry and he was a man of faith.

Faith Looks Like Something

I taught on healing that Sunday morning and he came up after service during the opening for prayer at the altar.

He had really wrecked his knee, He was limping up and wanted me to lay hands on him.

As I put my hands on his shoulders, God instantly told me he is in great fear and he needed to forgive someone.

Faith Overcomes Fear

I told him what God was showing me, he opened his eyes and said, I am here for healing... Not forgiveness...

I said Mike, You are healed, but God is revealing revelation of fear that has led to un-forgiveness.

He began to forgive and then he said okay now pray for healing and as he said it, he said wait a minute hahaha....

He was already healed.

Receiving the Revelation

as Mike was wrestling with faith and his beliefs, God was healing His knee that was already healed!

It was like, yes, yes, I've already got it! I was waiting for the Lord to intervene again on my behalf, but he had already done that in Christ.

Faith Looks Like Something

Everything that I had, every sickness, disease, or sin that I'll ever commit or had committed—Christ bore!" With his faith strengthened, Mike completely, switching his focus to Jesus, to receive what He had provided.

A month after this, his wife came to me and as the kids got sick, he was calm and said you are already healed and began to pray from a place of healing, not from a place of circumstance.

Faith looks like something

Matthew 9:20-22

20 A woman suffering hemorrhages for twelve years came up behind him and touched the tassel on his cloak.

21 She said to herself, "If only I can touch his cloak, I shall be cured."

22 Jesus turned around and saw her, and said, "Courage, daughter! Your faith has saved you." And from that hour the woman was cured.

I want to finish today with this,

YOUR FAITH CAN CARRY HEALING

Remember the Matthew 8:5-13 and Luke 7:1-10 the Roam Guard had faith that Jesus could heal his servant, who was sick and dying.

Faith Looks Like Something

Jesus spoke the words and off he went knowing that his servant was healed!

Knowing he was healed! You carry healing for the non christian and the christian.

Miracles are released from you to bring people to Christ.
