There are two kinds of FAITH: Superficial & Supernatural.

Superficial faith is based on signs and wonders.

Supernatural faith believes in God's miraculous power without seeing signs and wonders.

We'll unpack three things

1. The father's desperate plea
2. Jesus' divine prognosis
3. The father's demonstrative faith in the face of peril

John 4:46-49 NIV

John 4:50 NIV

Faith that does not see, yet it believes, is a faith that is based on the assurance of God's word.

John 4:51-54 NIV

What's your desperate plea? Jesus has a divine prognosis; you will live. Do you demonstrate faith in the face of peril?

1 Corinthians 16:13 NIV
