

The Abrahamic Covenant Of Faith

Pastor Bernie Miller

Sunday, July 7, 2024

The day of our salvation was the day of our declaration, not of our independence from God, but a declaration of our dependence on God.

Abraham believed in the promises of God before he received any of the promises from God.

Acts 7:1-4, 8 NASB

Abraham was willing to depart because God had already sown the thought to depart in his heart.

Abraham believed God's promise before possessing what God had promised.

Genesis 12:1-4 NIV

What are we to do when God blesses us?

1. When God blesses us, we're to bless others.
2. When we bless others God will bless us with more.
3. When others bless us, God will bless them.
4. When others curse us, God will curse them.

Genesis 15:1-6 NIV

Christians were called believers before they were called Christians.

Genesis 15:7-13, 17-18 NIV

Romans 4:16-17 NIV

When we declared our dependence on Him, we gained our independence from sin.
