Call to Worship

***Hymn** *Be Still My Soul*

Be still, my soul: the Lord is on your side
Bear patiently the cross of grief or pain
Leave to your God to order and provide
In every change God faithful will remain
Be still, my soul: your best, your heavenly friend
Through thorny ways leads to a joyful end
Be still, my soul: your God will undertake
To guide the future, as in ages past
Your hope, your confidence let nothing shake
All now mysterious shall be bright at last
Be still, my soul: the waves and winds still know
The Christ who ruled them while he dwelt below
Be still, my soul: the hour is hastening on
When we shall be forever with the Lord
When disappointment, grief, and fear are gone
Sorrow forgot; love's purest joys restored
Be still, my soul: when change and tears are past
All safe and blessed we shall meet at last

Leader: This is the Word of the Lord. *People:* Thanks be to God.

***Song** *Open Up*

You heard the cry of our hearts, and You came down
Freely You gave us Your love, showing us how
*Make me an instrument of Your peace; where there is hatred let me sow love
Where there is darkness let me shine light and
May Your love cause us to open up, cause us to open up our hearts
May Your light cause us to shine so bright that we bring hope into the dark*
All that we do without love, it means nothing
Grant us the courage to give, as You're calling (Chorus)
Hope for the hopeless, Your love is; strength in our weakness, Your love is
May we love as You love (Repeat)

Song *Crags and Clay*

Standing up from crags and clay; the peaks of earth in full display
They break the lines that break the sky; that's full of life, full of life
The chaos of creation's dance; a tapestry, a symphony of life himself
Of love herself it's written in our very skin

All praises to the One who made it all, who made it all

All praises to the One who made it all and finds it beautiful

Soil is spilling life to life; stars are born to fill the night
The ocean's score, the majesty of sculpted shore; mystery
Fearfully and wonderfully and beautifully made
Fearfully and wonderfully and beautifully made

***Song** *All Ye Refugees*

I am the One, the earth is my handmade work
The skies I laid them wide, beauty unfurled
Horizon to horizon, creation to creation, sings you home
Welcome home, gather round, all ye refugees, come in (Repeat)

Oh refugee, I did not cast you out
In death and broken ground, salvation springs
My body and my blood, the healing that you need
Come and receive (*Chorus*)

Watch and wait and see, what is yet to be
Watch and wait and see, for the morning
Go out in joy and join the great procession
The mountains and the heavens all will rejoice
Horizon to horizon, creation to creation
Horizon to horizon, creation to creation

With one voice (*Chorus*)

***Song** *Blessed Be Your Name*

Blessed be Your name in the land that is plentiful
Where Your streams of abundance flow, blessed be Your name
And blessed be Your name when I'm found in the desert place
Though I walk through the wilderness, blessed be Your name

*Every blessing You pour out I'll turn back to praise
And when the darkness closes in, Lord, still I will say
Blessed be the name of the Lord, blessed be Your name
Blessed be the name of the Lord, blessed be Your glorious name*

Blessed be Your name when the sun's shining down on me
When the world's "all as it should be," blessed be Your name
And blessed be Your name on the road marked with suffering
Though there's pain in the offering, blessed be Your name (*Chorus*)

You give and take away; You give and take away
My heart will choose to say, "Lord, blessed be Your name"
