

# Summer Bible Study

Greentown Baptist Church

Wednesday, 6/28/2023

**1. Is it possible that the Antichrist will be transgender? The Bible says he will not like women (Dan. 11:37). Job 40:17 talks about Antichrist having “his stones wrapped together” which might also indicate this? All of this perverted behavior seems to be being pushed in these last days.**

- Daniel 11:37 states that Antichrist will not “regard the \_\_\_\_\_ of women” and then Job speaks about Behemoth, a type of the Devil, having twisted male genitalia – Dan. 11:37; Job 40:17.
- There is a natural \_\_\_\_\_ that men should have towards women – Deut. 5:21, 21:11; Song. 7:10.
- The Bible states that at the end of time sexual perversion is going to be the standard of the day, so based on these descriptions of the Devil and Antichrist in Job and Daniel, Antichrist will be sexually perverted in \_\_\_\_\_ way – Luke 17:25-30; Jude 1:6-8; 1 John 4:3; Rev. 11:8.

*Homosexual =*

*Transgender =*

*Non-binary =*

*Asexual =*

**2. Why was it allowed in the OT for some men to have more than one wife or to go outside of their vows with servants to have more children?**

- The earliest models for marriage in the Bible were one man/one woman following God’s \_\_\_\_\_ for marriage, one flesh. Polygamy also began early – Gen. 2:18-25, 4:19, 23-24, 16:3; Job 2:9, 19:17.
- Keep in mind that God **allowing something** is not always the same as God \_\_\_\_\_ **something** – Matt. 19:3-11; Deut. 21:15-16, 24:1-2; Pr. 5:18; Mal. 2:14.
- God’s instruction to His kings was to not \_\_\_\_\_ wives to themselves (*many still did*), while the NT always presents marriage in the light of one man/one woman – Eph. 5:33; 1 Tim. 3:2; Tit. 1:6.

**3. Is homosexuality a sin that is taught, trained, or caused by exposing a child to it? Could children have a “bend” toward that particular sin?**

- We must remember that homosexuality is a \_\_\_\_\_ like all sin – Lev. 18:22; Rom. 1:27-28; Ja. 2:10.
- Man is born with a sin **nature**, but some sins are also \_\_\_\_\_ by family and environment – Rom. 5:12; 1 Kings 15:26, 22:52; 2 Kings 22:2; 2 Chron. 20:32; Jer. 9:13-14.
- The DNA code was perverted at Noah’s flood and will be perverted again at the end which could cause a “bend” towards \_\_\_\_\_ against God – Luke 17:25-30; Gen. 6:1-7, 11:6; Dan. 7:25.
