

# Mother's Day 2024

May 12, 2024

---

One Sunday a year we especially honor mothers (Eph. 6:2-3). Motherhood was conceived in the mind of God and modeled by the image of God (Gen. 1:26-28). Our world is nearing an end and so is motherhood as God originally designed it (Prov. 30:11). Motherhood has been widely perverted before in Earth's history, bringing an abrupt end to everything (Gen. 6:1-6, 11). Today we will look at one \_\_\_\_\_ mother who became very prominent in God's great plan.

## MARY, MOTHER OF JESUS

1. Mary was a highly favored \_\_\_\_\_ before she was a mother – Lk. 1:28, 30; 1 Sam. 16:7, 11-13; 17:34-36; 1 Cor. 14:20; Ecc. 12:1.
2. Mary did not desire or pursue personal \_\_\_\_\_ – Lk. 1:29, 39-46; 11:27-28; Pr. 27:2, 29:25-26.
3. Mary was a quiet seeker of \_\_\_\_\_ – Lk. 1:31-36; 2:19, 51; Josh. 1:8; Ps. 1:1-2; 1 Pet. 3:4.
4. Mary let her \_\_\_\_\_ conquer her fears – Lk. 1:37-38, 45-46; Matt. 17:20, 21:21; Heb. 11.
5. Mary saw the world around her from a biblical perspective and her own \_\_\_\_\_ in the plan of God – Lk. 1:47-55; Eph. 5:15-16; Ps. 139:1-17.
6. Mary gives the greatest counsel ever \_\_\_\_\_ Jesus' first miracle – John 2:1-11; Matt. 21:22.
7. Mary followed Jesus her whole \_\_\_\_\_ through all of its ups and downs – Matt. 12:46-50; Jn. 19:25-27; Acts 1:14.
