

What a Journey!

Psalm 127:1; 1 John 1:3

March 10, 2024

On March 6, 2022, God expanded His story in this world by establishing a local New Testament church, the Greentown Baptist Church, in this present location. God continues to do a great work here in just two years as ____ people have made professions of faith in Jesus Christ, ____ have followed the Lord through public baptism, our local church membership has grown from 101 adults to ____ covenant members, and we've hosted ____ first time guests for God's glory! Today is a perfect day to celebrate, remember, reflect, and anticipate the great things God will continue to do through our fellowship together here in Greentown.
