Where Are We On God's Timeline?

God created time in Genesis and abolishes it during the events of Revelation (Gen. 1:14; Rev. 10:6). We are on God's timeline and believe we are at the _____ part of it all. But can we really know? Jesus said we could discern what time it was and know what is on the horizon (Matt. 16:2-3). One tribe in Israel was known for their understanding of the times (1 Chron. 12:32). Daniel knew what time it was from the Bible (Dan. 9:2-3). Simeon, Anna, and the wise men knew it was time for Messiah to come (Matt. 2; Lk. 2:25-38). As 2025 comes to a close, we will examine what the end of time looks like for the church and what the future holds into eternity by examining the final three chapters of the Bible...Revelation 20-22.
