connecting people to Jesus, people, and God's mission

Tax return season is over, but there are tax-saving opportunities to consider between now and the end of the year. Here is an IRA strategy to review and consider.

Qualified charitable distributions (QCDs). If you're over age 70', have a traditional IRA, and make charitable contributions, you could be making those charitable contributions using QCDs.

You direct the IRA custodian to make a distribution to a charity. The distribution isn't included in your gross income, but it counts toward your required minimum distribution (RMD) for the year, if you have one.

V 10 **your kingdom come, your will be done on earth as it is in heaven.**

V 11 Give us today our daily bread.

V 12 **Forgive us our debts, as we also have forgiven our debtors.**

V 13 And lead us not into temptation, but **deliver us from the evil one.'**
