

connecting people to Jesus, people, and God's mission

Tax return season is over, but there are tax-saving opportunities to consider between now and the end of the year. Here is an IRA strategy to review and consider. Qualified charitable distributions (QCDs). If you're over age 70', have a traditional IRA, and make charitable contributions, you could be making those charitable contributions using QCDs. You direct the IRA custodian to make a distribution to a charity. The distribution isn't included in your gross income, but it counts toward your required minimum distribution (RMD) for the year, if you have one.

Deliverance from the Demonic after the age of the Apostles

The Church in the first 3 Centuries

Justin Martyr A.D. 150 - "many Christian men" exorcise demons that cannot be cast out by pagans. There were notable women leading in the church and casting out demons, one was St. Eugenia in the 3rd century. (Everlyn Frost, Christian Healing)

Origen A.D. 253 - "many Christians cast out demons, "merely by prayer and simple adjurations which the plainest person can use. Because, for the most part, it is the unlettered (or illiterate) persons who perform this work... this doesn't require the power and wisdom of those who are mighty in argument." (Origen, Against Celsus, vii, 4 & 17)

Tertullian A.D. 200 - "the noblest Christian life is "to exorcise evil spirits- to perform cures... to live to God." (Tertullian, De Spectaculis, para. 29)
