2. Look \_\_\_\_\_ ... His Grace is \_\_\_\_\_

3. Look \_\_\_\_\_ ... His Grace is \_\_\_\_\_

**Spend some time as a couple or as a family discussing the following questions.**

1. What has been the most challenging thing about this week? What made it so challenging?
2. Pastor Brian said that Paul began this letter to the Corinthians with a doxology or a song of praise. Why was Paul able to praise God in the midst of such challenging times? Can we truly worship God in our current situation? Why or why not?
3. Paul used 4 titles for God in verse 3. What were they and which one stood out to you the most? Why?
4. What is the difference between God delivering us *from* our trials God delivering us *in* our trials?
5. Summarizing verses 4-7, we could say, "Don't waste your trials." How can we as a family use the difficulties we are going through to help others? What is one specific thing that we can do to bless someone this week?

*Spend some time praying together as a family. Reassure one another with the lessons learned from today's message and consider singing a song of praise together celebrating God and His grace.*
