WHAT MAKES YOU, YOU?

MADE IN GOD'S IMAGE

MADE IN GOD'S IMAGE

What does it mean?

GENESIS 1: 26 + 27 +31

“Then God said, Let us make mankind in our image, in our likeness... So God created mankind in his own image, in the image of God he created them; male and female he created them. God saw all that he had made, and it was very good. And there was evening, and there was morning—the sixth day.”

We Have Authority

As God's representatives, humans have been given authority over the physical realm. (dominion)

We are to care for and develop the physical resources God has entrusted to us in ways that will honour Him and benefit others.

We Have Value

All human beings bear God's image, we possess an innate value beyond anything else in the created order. This is why every human life, regardless of its relative potential or accomplishments, is sacred from the moment of conception to the moment of death.

MADE IN GOD'S IMAGE

We Have Gender

We are created in two discrete, complementary genders, both equally bearing the image of God.

We Have Personhood

God is a person with mind, will and emotions. He is self-aware and purposeful. Like God, we are self-aware. We have thoughts about our thoughts. We perceive our location in time and space. We remember our past and anticipate our future. We have feelings independent of basic physical needs. We're volitional, desiring and making free choices that aren't pre-programmed by instinct or circumstance.

We Have Morality

Concepts such as truth, justice, right and wrong only have meaning with relation to God, and only exist because God framed reality that way, in order to reflect His own moral nature. He has given us the ability to make moral choices for which we're accountable to Him. This differentiates us from the animals, which merely follow instinct and are thus not moral agents.

We Have Creativity

God is a God of beauty and creativity, who loves to express Himself through the unity and diversity of all that He has made. We don't create as God does, out of nothing, but we've been granted the ability to perceive, appreciate and create good and beautiful things by organizing and shaping the resources God has provided. This gives value to art and learning and all legitimate forms of cultural expression.

We Have Love

God's image means we were built for relationship. At our core, our most fundamental need is to love and be loved – in a word, to belong. Ultimately, God made us in His image so that we might glorify Him and enjoy eternal, intimate, loving relationship with Him.

**The truth is that all people, including Christians,
have a strong tendency to “make God in our image”**

Authority.....Corruption

Value.....Superstars vs Regulars

Gender.....Confusion - Identity

Personhood.....Racism – Sexism

Morality.....Crime - Abortion – Free Sex

Creativity.....Porn – Death Music

Love.....Abuse – Divorce

If we are made in God's image, how do we know we are living in that image?

If we are made in God's image, how should we behave differently?

If we are made in God's image, how does this impact how we treat and relate to others?
