Our Mission

To glorify God by making "More and Better Disciples"

Our Vision

We see everyone intentionally building caring relationships with one another, and with the unchurched and unbelieving, for the sake of the Kingdom of God

We believe that the Bible is the infallible and authoritative word of God. (1 Tim. 3:16)

We believe God created the world; the world fell into sin; God redeemed and is redeeming the world. We believe that Jesus Christ saves us from the consequences of sin and that the world will be complete when He comes again.

We believe God is a God of Grace. His grace, not human decision is the decisive factor in our salvation. Believers do not choose God as much as God chooses believers. (John 3:5)

We believe that covenant is the richest biblical concept to describe God’s relationship with His people. In covenant God binds himself to His people in promise and commitment. Covenant relationship is why God sent Jesus, because of a commitment to save His people. (Jer. 31:31-34)

We believe in God's sovereignty. God is the main actor in creation. He is ultimately in control. So despite a world we humans have broken with sin, ultimately God's plans will triumph and all will be made new. (Jer. 29:12 & Rom. 8:28)

SERMON GUIDE

Message: Consider the Source

Scripture: 2 Timothy 3

1. In Roman Catholic theology, an indulgence is a remission of the _____ punishment for sins after the _____ of sin has already been forgiven through the sacrament of reconciliation.
2. People bought _____ because they were working off bad information. Rather than look to God's word, they turned to men and the _____ of men.
3. The moral precepts _____ establishes in God's law, and the visible example of holiness and righteousness in Christ, give us _____ we need to know about how to love God and one another.

FAMILY AND FRIENDS CONFAB

1. How often do you read God’s word? Is it enough?
2. What would you say to someone who tells you that scripture is not sufficient because we need someone to interpret God’s word?
