Pastor Pat Finley // Revelation 12:7-17

The Cosmic Conflict Continues

Introduction

This morning we continue our study through the book of Revelation as we are coming upon the time of Jacob's trouble, also known as the Great Tribulation. Today we will examine the role of Satan in heaven and on the Earth, and his ultimate sentencing. We Jesus won. We win!

We encourage you to take some time to read through the questions on the following pages and jot down your thoughts before meeting with your group. Many people also find it helpful to use these questions as a guide for taking notes during the sermon. The purpose of these questions is to spark reflection and encourage meaningful conversation. Remember, you don't need to work through every single question each week—focus on the ones that are most helpful for you and your group.

Getting Started

Transition into group discussion.

1) Open group discussion with prayer.

2) Choose someone to read the passage aloud for the group.

Study Questions *(Suggested time: 30-40 min)*

1. We know that Satan is at war with God and that we are soldiers in that fight. What are some ways an army prepares for battle? Explain how they relate to the believer preparing to stand firm when facing spiritual opposition.

2. In verse 10 refers to Satan as "the accuser of our brethren" who accuses believers day and night. When you experience feelings of guilt, shame, or spiritual inadequacy, how can you distinguish between the conviction of the Holy Spirit and the accusations of the enemy?

3. Revelation 12:11 states that believers overcame the dragon "by the blood of the Lamb and by the word of their testimony." What does it look like in your daily life to rely on Christ's blood? What does the word *testimony* mean to you in this passage? How does it help you when facing spiritual warfare or hardship?

4. When the dragon persecutes the woman, she is given “two wings of a great eagle” to fly into the wilderness to her place where she is nourished. What does a “wilderness” season look like in your life, and how have you experienced God’s supernatural care and provision during times of trial?

Personal Spiritual Exercises

Prayer *(Suggested time: 10-15 min)*

A meaningful part of “coming together” is being open and genuine about our lives. For some, praying in a group may feel very natural, while for others it may feel new or uncomfortable. If you would prefer not to pray aloud, you’re welcome to pray silently and simply say “Amen” when you’re finished, signaling the next person to pray. Whether spoken or silent, every prayer is part of this shared time in God’s presence.

1. Pray for each other to be bold in witnessing Jesus this week.

2. Take a few moments to think about a prayer request. What are you currently going through that you are still waiting to see how God is going to be glorified? Consider making a prayer request.
