Series: Reason to Believe (4 of 8)
Message: Is the Bible Trustworthy?
Scripture: Psalm 119:105; 2 Timothy 3:16-17; 2 Peter 1:21; Matthew 5:18; John 7:18-27

- Provide a brief synopsis of the message in your own words for anyone who did not hear it.

Get Started: Describe your personal view of the Bible's trustworthiness as if it was on a spectrum. Has your view changed over time?

Head: What Does God Want Me to Know?

(Orthodoxy – What does He want me to know: about God? about man? How can I think biblically about this topic?)

1. What are some of the things the Bible says about itself?
2. What impact does the historical arguments that Wayne presented have on your confidence in the Bible's trustworthiness?

Heart: What Does God Want Me to Feel?

(Orthocardia – Do I have the right attitude about what God says about this? What does He want to change in my heart or emotions? How do my deepest desires align with what this tells me? Do I even want to follow what He says about this?)

3. Based on what Wayne taught and your personal experience, what would you describe as being necessary ingredients when it comes to understanding the Bible's trustworthiness?
4. Acts 2:42 says that the earliest believers devoted themselves to the apostles teaching (our New Testament). How would you personally describe your devotion to knowing and understanding the Bible? How can your group help you?

Hands: What Does God Want Me to Do?

(Orthopraxy – Do I take the right actions: how should I/we respond? What action(s) would show obedience?)

5. Individual: Based on this message, the text above and the discussion, what is God asking you to do differently? How will you respond?
6. Group: God often not only calls the individual to action, but He also calls upon the group to respond. How might your group respond together? What should your group do differently?
