

All 4 Gospels in 45 Days

This plan focuses on the record of the life of Christ. You'll read through all four gospels in 45 days.

TIPS ON READING THE BIBLE DAILY

- This plan gives you a stepping-stone so that you read straight through every word of the 4 Gospels (MT, MK, LK, JN) for the first time in 45 days. After you feel comfortable and have a Bible reading routine at this level, then you can go on to bigger proportions of the Bible.
- If you miss a day, we recommend you do that day next. **Quality** is better than quantity. It is better to receive from God's Word and take a few extra days to finish the reading plan. It is not a race.
- Start your day by talking to God, reading the Bible and reflecting on your day. You may need to set aside a quiet space, and a few moments, but it's a small step that will leap you forward in your faith.
- **Recommend Printing** out Bible Reading Plan and keeping a copy in your Bible.

A SUGGESTED APPROACH

- **Read** the Scripture passage slowly (once or twice)
- **Ask 3 Questions** (reflect briefly)
 1. What does this reveal about God?
 2. What does this reveal about people (me)?
 3. How should I respond today?
- **Pray** your responses back to God
- **Carry** one verse with you throughout the day
