Dear Tuition Assistance Applicant:

The Beaverton SDA church offers members tuition assistance to active family's with students who attend Tualatin Valley Academy (TVA). Our ability to award assistance is based upon funds available. Attached is a Tuition Assistance Application. We thank you for your commitment to provide a Christian education for your children.

We believe that Christian education is just one facet of our stewardship commitment to God. We wish to glorify God in every aspect of our lives, including where and how we educate our children. In light of that commitment, the Beaverton SDA Church allocates tuition assistance based on these criteria:

1. Christian education has, and always will, require a sacrificial commitment on the part of the parent(s) and/or sponsors. Assistance from the church will require consistent and regular financial participation from the parent(s). Keep in mind as you plan your finances for the upcoming school year, you will incur additional charges for extracurricular activities, after school sports, BASE, etc.
2. In addition, the student has his/her own responsibility in this process:
 - a) Regular attendance in class and a consistent effort to achieve scholastically.
 - b) A commitment to good citizenship and Christian conduct while at school.
 - c) When available, on-campus part-time work.
3. Regular attendance and participation in the Beaverton church and children's ministry.

The tuition assistance program is administered by the Finance Committee. It is our policy to assist up to 1/3 of the monthly tuition to TVA. Portland Adventist Academy assistance is available if the grade is not offered at TVA. The total amount of assistance awarded depends on many factors including financial need, availability of assistance funds, and number of applicants. We provide our assistance on the 10-month payment plan and send payment directly to the school. We will notify you and the school once your assistance has been approved.

This tuition benefit is provided for the families who are members of the Beaverton SDA Church. Should you have any questions, feel free to speak with one of the finance committee members.

Sincerely,

Beaverton SDA Church Finance Committee
