

Gospel Centered Living: A Study of Galatians
“Love Lived Out”
Galatians 5:26-6:6 | Pastor Zach Mulvihill

Main points: **“What love actually looks like.”**

Point 1: By the Spirit we can finally grow up.

Point 2: Sick people need a doctor, not an executioner.

Point 3: If the Gospel sets us free, then why work? To show love to others through our work.

Application: **“What Gospel Community actually looks like.”**

“In Gospel Community...”

1. “...there is no room for pride and its wicked offspring.”
2. “...we are going to sin against each other. When this happens, we will confront each other like a doctor confronting a broken bone or disease, gently but firmly.”
3. “...we won't just say we love each other, we will show it through our actions.”
4. “...we let the work of Christ be sufficient for us.”
5. “...everyone has something to contribute.”
