

God's Restoration Plan

Genesis 12:1-3 | Paul Bauman

Two Conclusions

- ❖ Man is incapable of resolving the problem of sin.
- ❖ Man needs to be rescued and restored back to the way life was meant to be.

BIG IDEA: Genesis 12:1-3 is God's plan of restoration for humanity.

- 1) God is the one who initiates and determines the plan for restoration, which involves the calling of a new nation.
 - a) The promise of land to Abram and his descendants.
 - b) The promise of a son and many descendants.
 - c) The promise of universal blessing.
- 2) God's plan to restore us is NOT based on nationality and race but a response of faith to what He says He will do.
 - Galatians 3:5-9 & 26-29

Reflection

- ❖ Is the entirety of your life based on the conviction that God can be trusted to do what He says He will do?
