

# A Submissive Wife

Paul Bauman | Ephesians 5:22-24

## The Wife's Response

❖ Submission

### 1) What does it mean?

- a) Paul is addressing the wife's \_\_\_\_\_ to her husband's authority not her \_\_\_\_\_.
  - Helper – means “one who supplies strength in areas that are \_\_\_\_\_.”
- b) Paul uses the \_\_\_\_\_ of the church submitting to Christ as an analogy for the wife to submit to her husband.
  - Acknowledge \_\_\_\_\_ has given your husband the authority and responsibility to lead you in the marriage relationship.

### 2) What makes submission so difficult?

- ❖ The natural desire to take \_\_\_\_\_ and \_\_\_\_\_ makes submission difficult.

### 3) What does submission look like?

- a) \_\_\_\_\_ and \_\_\_\_\_ your husband as he pursues his responsibility to lead you and the home.
- b) \_\_\_\_\_ to fulfill his God given responsibility to lead.
