

**The Generous Gospel**  
Restored | *2 Corinthians 2:5-11*  
Pastor Paul Bauman

***The Necessary Components***

**1. The purpose for the discipline process.**

- ❖ The discipline process protects the purity and the peace of the body of Christ.

I am not overstating it when I say that the man who caused all the trouble hurt all of you more than he hurt me. (NLT)

**2. The goal of the discipline process.**

- a) Go and admonish the offender in private
  - b) Bring one or two witnesses to continue to admonish the offender
  - c) Tell it to the church
  - d) Remove the unrepentant offender
- ❖ The goal of this process is repentance and restoration of the offender.

**3. The posture for practicing the discipline process.**

- ❖ The posture for practicing church discipline is humble submission to the authority of Jesus.

***Final Thoughts***

- Where does unresolved conflict go?
- Whatever Jesus expects of us, He will enable us to meet those expectations.
