

Family Farm

Pt. 1 - You Get What You Plant

Core Value: We must build healthy families.

Gal. 6:7 “Do not be deceived: God cannot be mocked. A man reaps what he sows.
⁸The one who sows to please his sinful nature, from that nature will reap destruction; the one who sows to please the Spirit, from the Spirit will reap eternal life. ⁹Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up.”

Principles for Growing a Healthy Family:

1. Planning is not accidental; it's intentional.
2. What I plant is what grows.
3. Everything I plant, grows.
4. What I don't plant, won't grow.
5. Choose the desired harvest; determine the seed.
6. What I neglect after planting; dies.

John 10:10 *The thief comes only to steal and kill and destroy...*

7. If I am having problems with the planting, ask for help!
8. If I am not happy with my current harvest, I need to plant something different.
9. Harvest time is not immediate.
10. Don't give up - keep planting!

Gal. 6:9 “So let's not get tired of doing what is good. At just the right time we will reap a harvest of blessing if we don't give up.” (The Living Bible)
