OUR PURPOSE: To be a community of believers where, no matter who you are, you can experience life change through Jesus Christ.

When we do something together, it has the potential to affect how a generation sees God.

Name what's broken.

Leverage whatever you have.

Go see for yourself.

Do something you don't know how to do.

Expect to see God, but not necessarily the God you expect.

Those outside the walls, the skeptics, changed what they believed about God.

Those inside the walls changed how they listened to God.

A generation changed how they worshipped God.

How we work together can change how a generation sees God.
