Lent Resources

Check the Spirit of Joy! app for at-home devotions for individuals and families. This year's new devotion is "Vincent van Gogh and the Beauty of Lent."

What is Lent

Lent is the 6 weeks prior to Easter – 40 days (not including Sundays). It is a time when we focus on the traditional spiritual disciplines: self-denial, confession, prayer, study, and generosity. These practices help to prepare our hearts to receive the Good News of Holy Week and Easter, and reconnect us with our faith.

Need a Bible?

Do you need a Bible? Does your child need a Bible? Let Pastor David know! We always have adult Bibles on hand, and we are preparing an order of Bibles for children of every age and youth. We would LOVE to gift you or your children a Bible for Easter.
