We often rely on church to help us maintain our relationship with God. At church we worship God during the songs at the beginning, then we go to Sunday School where we might pray, read our Bible or discuss biblical principles. Then afterwards we fellowship with our friends, maybe go to someone's house for lunch. At the moment, we can't do these things and while we are at home more it's up to us to keep our relationship with God going strong. All these things are still important: worship, reading the Bible, and prayer. We need to do these things every day. God hasn't stopped working now that we can't go to church. His plans haven't changed – He still wants a relationship with us. He still wants to talk to us. He still wants us to be good witnesses for Him to our friends and family. In order to do this, in order to please our Father in Heaven, we need to make sure we keep that relationship with Him fresh.

Over to you... on a piece of paper, mind-map ways we can maintain our relationship with God. Think about the things we do at church, and how we might be able to do them now. You could make a timetable of when you can do those things each day. We need to make time for God every day!

★ ★ ACTIVITY

★ GET CREATIVE...

*Ask a parent to help you if you need to.

Find a Christian song on YouTube or a CD and make up a dance to it, then present your dance to your family. Or, if you don't like dancing, you could memorise a Bible verse and recite it to your family instead.

★ TIME TO LISTEN...

Listen to Our God by Chris Tomlin. Think about the words whilst you listen to it – God deserves all of our praise and all of our worship. He is the King of Kings, He is the Lord of Lords, and He DIED FOR US! Not only that, but He promises never to leave us. He loves us even when we get things wrong. He gives us hope because when we die, we can go to heaven and be with Him forever. Isn't that amazing! Let's spend some time thanking God for who He is and what He has done for us.
