## **Singing You Through**

*by Heather Nova*

Do you think I can't see through to who you are?  
All the life that shines below the pain, the scars  
Did you think that you could hide?  
Build up a wall inside?  
Just turn yourself to stone, and go through this alone?  
No, I'll be there  
Like a bird, singing to you  
I'll be there  
Like a bird, singing you through  
I'll be there, I'll be there  
Holding the light for you  
Making it right for you  
Singing you through

Do you think that I don't know how far you've come?  
All the heights you've had to climb, the miles you've run  
Did you think I'd let you down?  
Just turn this ship around  
And leave you in the dust?  
But you must know you must  
That I'd be there  
Like a bird, singing to you  
I'll be there  
Like a bird, singing you through
