

INTRO DAY

INTRO VIDEO

LET'S GET OFF TO A GREAT START!

WARM UP: Watch the Intro Video

JOURNAL: It's time to get prayed up! Use the space on page 22 to ask God to move in power!

ENCOURAGE: Build up your group by introducing yourself and sharing one bold request you are asking God for the next 30 days.

ATTACK THE DAY: Heavenly Father, I praise You! I am so thankful to get to do the *30 Day Identity Challenge* where I will stand on Your declarations of who I am in Christ. Lord, I am crying out to You to move in power in my life! Today, I renounce the lie that I am defined by my performance and what others think. Instead, I declare the victorious truth that I am who You declare me to be. Father, please burn any and all lies that hold me (and my group) in bondage and strengthen me (and my group) to stand in Your truth. I can't wait to see what You are going to do! Let's win the day! In Jesus' name, Amen!

GET PRAYED UP!

Start the *30 Day Identity Challenge* by calling on the Name of Jesus. What strongholds do you need God to destroy? What are you hoping for that feels impossible? Don't hold back! Pray boldly and ask God to move in power!
