

WHAT'S NEXT?

1 STAY PROACTIVE

Great competitors go on offense with their mental game. They are proactive and always on the attack. These last 30 days, you were on the attack as you rooted yourself into your identity in Christ. Keep training this way. Do not stop attacking your goals and especially your identity in Christ.

2 KEEP ABIDING

Jesus Christ is the Power Source. When you are intimately connected to Him, He produces good fruit in your life. Apart from Him, you can do nothing (John 15:5). Never let anything hinder your intimacy with Jesus.

3 JOIN COMMUNITY

Get connected to other Competitors for Christ through Pure Encouragement. You can join Soul Care, Confidence, or Leadership groups, or be encouraged through the PE media, blog, and monthly events.
