

UNITED: 1 Corinthians 5

Read **Psalm 51** to begin your time together. Use this passage to instill a posture of repentance in your life.

Read 1 Corinthians 5:1-13

- What was Paul's tone?
- Why does Paul use this tone?
- What are the two issues Paul has in verses 1 & 2?

In the sermon, Brad talked about how Paul challenged the Corinthians in 3 areas:

1. Sin crept in
2. Sin crept in and was accepted
3. Eliminate sin from your life

Which of these areas do you struggle with most?
Why?

Share a time you accepted sin in your life? How did that affect you and your relationship with God?

What would it look like for you to rid yourself of sin? How will you do that? How will you allow yourself to be restored back to God? Your marriage? Family? Church?

What areas of your life need addressed so you can be more like Jesus?
