IV. Grace Anticipates

Questions for Reflection:

1. The grace of God has appeared to us that we may apply it to our lives. Have you applied the grace of God to your life for salvation?
2. If you have applied the grace of God to your life for salvation, how is it adjusting, or training you day to day? Are you letting it impact the way you live, or do you view it as a “get out of hell card” only?
3. Does the grace of God applied to your life cause you to anticipate the return of Jesus? How does that practically look in your day to day life?
