Questions for Reflection:

1. Being reminded of what God’s grace has done in our lives is so important. What are some ways you can daily remind yourself of how God’s grace has impacted your life?
2. When it comes to those around you who are unsaved, do you find yourself wanting to reach out, or recoil from talking to them about the Lord? How can God’s grace and the work it does in our lives change our outlook on reaching out to people around us?
