Questions for Reflection and Discussion:

- 1. The Bible sets the standard for the parent-child relationship. Why do you think so many have deviated from the standard of God’s word when it comes to parenting?
- 2. Why do you think so many parents are relying on devices, schools, programs, and the church to raise/discipline their children?
- 3. How can the church (and us as part of the church) help parents to stay true to the biblical model of parenting?
- 4. The Bible calls for servants and masters to serve the Lord in their work. What does this look like practically?
- 5. Where else in scripture do we see the exhortation to work as unto the Lord? How can you encourage your fellow believers with these scriptures?

This week, re-read Ephesians 6:1-9 and pray through the truths you find while reading. Find someone to discuss these verses with, and share the word with someone you don’t know as well.
