

Patrick Alan Mifflin, our loving father, and grandfather, passed away on November 15, 2022, at the age of 83. He was born on December 8, 1938, in East St. Louis, Illinois, to John F. Mifflin and Thelma Koewn Mifflin. Pat died from a long fight with COPD.

Pat's father, John, was an itinerate pastor for the Assemblies of God. He traveled with his family all around Illinois, Kentucky, and Texas as his Dad held tent revivals. Eventually, his family landed in Midland, Texas, where he finished growing up. He met and married Linda Moore Mifflin in 1962. They had two children, Pamela Annette Mifflin Kennedy and Devin Keith Mifflin. Pat and Linda divorced in 1987.

Pat joined the Navy and served from 1958-1961. Pat's wanderlust for travel and seeing the world began in the Navy. All who knew Pat knew he received a tattoo from every port-of-call and loved to share the stories about his travels. Pat received an Associate's degree from Odessa Community College while working for the local news Station, KMID, in Midland. He then began a career in early electronics repair that had him traveling all over the Western Area of Texas. In 1976 he made a pivot to repairing oil pipe inspection equipment. This work took him worldwide, from Scotland to Jakarta to South America, and all stops in between. Upon his retirement, he moved back to Midland, TX, and began working with his sister and brother-in-law, Thelma and Ernie Klatt, in their family-owned business, Midland Small Engine Services. He helped repair engines until that became too taxing for his breathing and then moved to the parts counter helping customers. After extensive illness, he moved in with his daughter and son-in-law, Pamela and David Kennedy, in August 2014. Pat was genuinely talented in many things. He could repair any type of engine, and his electronics knowledge was sought out by many professionals in the oil inspection industry. He was an amazing leather tooling artist and made gifts for many friends and family.

Pat is survived by his daughter and son-in-law, Pamela and David Kennedy; his son, Devin Mifflin; his beloved grandchildren Keegan Mifflin, Sarah, and Ian Kennedy and granddaughter-in-law, Jordan Kennedy. He is also survived by his sisters, Thelma Ann Klatt and Alice Stidman. He was one of seven children and was preceded in death by his sisters Betty Lipe and Peggy Mobley and brothers John (Jack) and Joe Mifflin.

There will be a memorial service honoring Patrick A. Mifflin on his birthday, December 8, 2022, at 2:30 p.m. at Wildwood United Methodist, 8911 Farm to Market Rd 1488, Magnolia, TX 77354.

In lieu of flowers, we would ask for donations to be made to either the Michael E. DeBakey Department of Veterans Affairs Medical Center ([www.pay.gov/public/form/start/46647736/](http://www.pay.gov/public/form/start/46647736/)) or the COPD Foundation ([www.copdfoundation.org](http://www.copdfoundation.org)) in my Dad's name. The DeBakey VA Medical Center was a source of great care and comfort for Pat Mifflin, and they honored him, his illness, and his service with great compassion and respect. We are deeply thankful for their efforts on behalf of Pat and the many other veterans who have served our nation.
