Principle from 1 Corinthians 8 and 9: Love limits liberty

Reasons that love limits liberty:

1. Love for fellow believers limits my liberty.

(1 Corinthians 8:1-9:18)

Christians who have freedom in Christ in a certain area should be careful not to influence weaker brothers and sisters to stumble and violate their conscience.
(Philippians 2:3-4; Romans 14:22)

2. Love for spiritually lost friends limits my liberty.

(1 Corinthians 9:1-27)

Christians who have freedom in Christ in a certain area should be careful not to allow their freedom to put a barrier between unbelievers and the gospel.
