

This guide is intended to help you be better prepared to engage in making disciples in your small group. They are based off of the Sunday sermon listed in the top right corner. If you missed Sunday, make sure you take the time to listen to the sermon before your small group meeting. You can find the messages on our website.

Prayerfully considering these questions will help equip you to practice mutual ministry with your family at Vertical. While it's not likely that all of these questions will be asked during your small group meeting, we believe that your personal walk with Christ will be strengthened as you meditate upon the truths that God is teaching you through His Word.

1. In Hebrews 2:1, the writer states "we must pay much closer attention to what we have heard." What is it "we have heard" and how are you paying close attention to it?
2. What are the daily "currents" that are pushing and pulling you away from your pursuit of God?
3. What are the 5 stages in the progression of drift? And what causes drift?
4. Where are you on the progression of the drift? What are you not believing rightly about God? What do you need to repent of?
5. What things most often tempt you to skip your time with God and His people and drift? What can you do to minimize these temptations?
6. Where in your life are you focused on Christ? Where in your life is He not the focus?
7. In which of the 4 Ws are you doing well? Which one needs the most growth to help strengthen your foundation and focus on Christ?
8. What does taking steps in worshipping Christ daily look like practically?
9. How are you encouraging fellow believers to take ground in the Christian walk?
10. What role are you allowing the body of Christ to play in helping you fight drift? In what ways do you need to ask for help today?
