

This guide is intended to help you be better prepared to engage in making disciples in your small group. They are based off of the Sunday sermon listed in the top right corner. If you missed Sunday, make sure you take the time to listen to the sermon before your small group meeting. You can find the messages on our website.

Prayerfully considering these questions will help equip you to practice mutual ministry with your family at Vertical. While it's not likely that all of these questions will be asked during your small group meeting, we believe that your personal walk with Christ will be strengthened as you meditate upon the truths that God is teaching you through His Word.

1. When you think of your role in life (whether married or single), do you think of it first and foremost as a reflection of your relationship with Yahweh and a way to show Yahweh honor? Why or why not?
2. Discuss how Christianity's philosophy on women was radical in biblical times. How does it continue to be today?
3. What are some other counter cultural principles in God's Word that you need to determine to honor the Lord in?
4. In your marriage, where is your conduct not in line with honoring Yahweh? What heart attitude is that flowing from?
5. How are you currently seeking to cultivate a lowly and quiet spirit?
6. Joe said that as wives your conduct is more impactful than your words. In your marriage, what does it look like to win your husband without a word?
7. How do wives play an integral role in God's redemptive plan? How can you grow in playing your role?
8. What are some aspects of God's character that can help you submit to the derived authority of your husband? Share specific Scriptures that you have found helpful.
