About Power of Pipes...

The Power of Pipes summer concert series returns for a ninth season in 2026. These are short concerts, usually 45 to 60 minutes, and each one is located at a different Green Bay area church. Each concert provides different kinds of organ music, some of which you will certainly **not** hear during Sunday morning worship!

Concerts in this series usually feature the resident organist(s) of each church, and many of the programs have themes that are noted in this booklet.

About NEWAGO...

The Northeastern Wisconsin Chapter of the American Guild of Organists (NEWAGO) sponsors lectures, workshops, recitals, scholarships, and educational programs of interest to church and synagogue musicians. The chapter covers Northeastern Wisconsin from Fond du Lac to Marinette and from Sheboygan to Berlin. The chapter website is www.newago.org

About the Lunchtime Summer Organ Recitals (LORS)...
