What to do right after the service to help “the Word dwell more richly,” within us (Colossians 3:16):

- 1. Instead of rushing off after the service is over, or talking about the latest news, develop the habit of talking about the sermon with people after church. Start spiritual conversations by asking, “How did the Scripture challenge or speak to you today?” Or “what about God in the message encouraged you?”*
- 2. Encourage someone by sharing things you learned about God from His Word during the sermon. Make note of how your thinking has changed. Don’t let biblical teaching be a one-time event that fades from memory as soon as it is over (James 1:22-25). Choose one or two particular applications to share.*
