Welcome to First Assembly of God. We are so glad to have you!
Please stop by the Welcome Center. We have a gift for you.

SANCTUARY FLOWERS

The flowers in the sanctuary today are given in loving memory of Jim Griggs by Linda on what would have been their 56th wedding anniversary.

WOMEN'S MINISTRY

On Tuesday, September 6th, the Women's Ministry will meet at 7:00 pm in the Social Room. We will learn how to "stay SWEET and safe on social media." Mrs. Lindsay Dunn, the LCES guidance counselor and sister of Cheri Edmunds, will be our guest speaker. She will give us advice and shine light on the dangers of social media in today's world. We encourage you to bring teenage girls who may be affected by this generation of social media influence in which we all live.

IN CONCERT

The Sound will be here in concert Thursday, September 29th at 7:00 pm. There is no admission charge. A love offering will be received. From their website:

The Sound is a multi-Dove Award nominated band comprised of Levi, Jacob and Rob Mills. Their distinct, country-pop inspired style has captured the attention and affection of fans around the world. They've performed live for thousands and, through television and social media, have entertained millions. Since 2019, their short career has been marked by four consecutive chart-topping songs, three Dove nominations, and a feature performance on the 2020 GMA Dove Awards. Their latest album, *God is Real*, is a trail-blazing record that incorporates elements of Nashville country-pop and worship. It was released in 2022.

"We aim to bring people to the life-changing touch of Jesus Christ. We do that through making music that is creative, relevant and impactful. That is our gift and we are blessed to be able to use it every day for the kingdom of God."
