WOMEN'S MINISTRY

We are collecting box fans during the month of May to help support "Something for Alex," a nonprofit organization that aims to change the world one small act of kindness at a time. The box fans will be donated to families who don't have central air conditioning to help keep them cool during the summer months. Donations can also be made to support the purchasing of more fans.

Offering boxes are located inside the sanctuary on the wall beside the entrance/exit doors.
