

That's The Least I Can Do!

Part 3

Psalm 34:5-6 KJV

Psalm 34:5-6 KJV

5 They looked unto him, and were lightened: and their faces were not ashamed.

6 This poor man cried, and the Lord heard him, and saved him out of all his troubles.

Reasons why we praise the Lord:

1. A great reason for praising God is because of our continued connection to God, gives us JOY.

Psalm 34:5 KJV

5 They looked unto him, and were lightened: and their faces were not ashamed.

The NIV uses the word “radiant”

Psalm 34:5

“Those who look at him are radiant.”

Note: When you look at the Lord for what you need, we will receive joy.

What is radiant?

Radiant is vividly bright and shining.

Depending on the Lord for what
you need makes you shine
bright.

You wont look like what you are
going through when you look to
the Lord.

Depending on the Lord, will give your
life a bright and radiant look which
should make you respond with a
PRAISE!

You wont look like what you are going
through when you look to the Lord.

Note: There is no reason to feel down when you stay connected to the Lord.

Psalm 34:5

“Their faces are never covered with shame.”

Remind yourself:

- Smile... God has your covered.
- Rejoice... God will give you reasons to be joyful.

Note: Do not lose sight of your joy, God will keep you **RADIANT**.

Reasons why we praise the Lord:

2. A great reason for praising God is because your present condition does not determine your final outcome.

Psalm 34:6 KJV

6 This poor man cried, and the Lord heard him, and saved him out of all his troubles.

David was the poor man in question in Psalm 34:6.

His condition was poor because he was at the mercy of Abimelech the King.

Your weakness IS NOT where
you will remain when you call
out to God.
