The Christian life isn't a process of getting from God; it is a process of acknowledging God's finished work in Christ, renewing your mind to what is in you and releasing it by faith.

1. Acknowledge

- a. (Phile. 6) Your faith becomes effective, productive, and operative by acknowledging every good thing in you (your spirit) in Christ.

2. Renew

- a. (Rom. 12:1-2) All transformation in life is the result of the mind renewal process.
- b. (Eph. 4:17-24 AMP) Put on the new man.
- c. (Col. 3:1-3, 9-10 AMP) not carnality but Christ

3. Release
  - a. (Prov. 4:20-24) I release what's in my heart by speaking what I believe.
  - b. (Prov. 15:4; 18:20-21 all AMP)
