- I. Can I Lose My Salvation?
  - A. Eternal Redemption
    1. (Heb. 10:1-25 NLT) no more sacrifice for sins.
    2. (Heb. 12:23) “...to the *spirits of just men made perfect.*”
  - B. Why Not Live in Sin if I'm Forgiven?
    1. Since God has forgiven all my sin and I'm righteous in His eyes, why not live in sin?
      - a. Three times (Rom. 3:8; 6:1; 6:15) Paul makes similar statements, “*Shall we continue in sin that grace may abound?*” Why did Paul deal with this so many times?
        - Because our right standing with God is based on God's grace, not our performance many accused Paul of saying we could live in sin!
      - b. “Pastor, why should we live holy if our sins are all forgiven in Christ?” Two main reasons!
        - #1 Sin allows Satan inroads into our lives.
          - (Heb. 12:1)
          - (Rom. 6:16-18 NLT)
          - (Rom. 6:23)
        - #2 It's our new nature to live holy because we are dead to sin.
  - C. The Unforgivable Sin – Blasphemy of the Holy Spirit
    1. (Mark 3:20-30) blasphemy of the Holy Spirit is simply not looking to Jesus for salvation because you see Him as anything other than the God.
