I. Overcoming Sexual Bondages

A. Are People Born Gay? NO! Not according to God or science.

Please play Andrew Wommack – “Free from Homosexuality #5 – Janet Boynes Interview (Dec 5, 2015) 27:32

1. God Condemned and judged homosexuality and lesbianism under the law and new covenant. (Lev. 18:22; 20:13; 1 Cor. 6:9-10)

a. God would be unjust to condemn and punish something people can't help.

b. For God to judge and punish homosexuality/lesbianism it must be sinful behavior and not natural.

c. God only judges sinful choices. (Deut. 30:19-20 NLT)

2. God doesn't make mistakes. (Deut. 32:4 NLT; Ps. 147:5)

a. (Ps. 51:5 KJV) God is perfect but because of sin (the fall of man) there are defects in the body and mind.

~Unclean spirits are coming for small children.

-(Mark 7:24-30) Syro-Phoenician woman's daughter.

-(Luke 9:37-42) little boy with unclean spirit

b. There is no scientific evidence that supports the existence of a “gay gene.”

3. Law of nature (Gen. 1:11, 12, 27, 28) the perpetual seed is in itself to be fruitful and multiply.

4. God used Sodom and Gomorrah as a warning and example of His judgement on homosexuality. (2 Pet. 2:6; Jude 1:7; Gen. 19)

5. The fruit of homosexuality and lesbianism is destructive. (Rom. 1:18-32)
