I From Death to Destiny

A.Discipleship the Victorious Path to Canaan

from Egypt to Canaan
THE PROCESS

EGYPT → MT. SINAI → WILDERNESS → CANAAN
(Prison) (Promises) (Problems) (Provision)

1.(1 Cor. 10:1-11 GNT) The children of Israel's journey from Egypt to Canaan. An 11 day trip took 40 years. Only 2 of the original adults over age 20 made it.

a.Why? (Heb. 3:19) Unbelief!

b.(Exo. 19:4-6; 20:18-21) the people refused to draw near, hear and learn God's promises & principles.

2. (Matt. 28:19-20) Jesus never said make converts!

a. disciple – a pupil, a student or scholar; a learner and doer of Christ's precepts and instructions; a disciplined one.

b. School vs. Church

~School makes scholars but church makes converts and should make disciples.

~(Hos. 4:6) destroyed for lack of knowledge

3. (John 8:31-32) Discipleship the victorious path to Canaan

a. Believer vs. Disciple

~A believer is a born-again convert but hasn't necessarily been disciple yet. They may still be a babe in Christ and therefore carnal.

~A disciple abides in the word, knows the truth and is free indeed.

-To **abide** to means to live in and adhere to. (*like you abide in your body*)

-To **know** (*ginosko*) intimate, experiential knowledge that causes change and produces fruit.

~(Matt. 10:37-39 GNT) disciples put Jesus and His word first place in life denying themselves.

4. (Eph. 4:11-16 NLT) the 5-fold ministries purpose is to **equip the body to:**

(1) do the work of the ministry and

(2) build up (edify) the (body) church

~Until we all come into unity in our faith and knowledge (*epignosis*) of Jesus.

~So that we will be mature in the Lord (***be disciples***)

a.(Acts 2:42, 46-47 NIV) the Biblical method of making disciples.

~Apostles' teaching (*Word*)

~Fellowship (*Community*)

~Breaking of bread (*Serving*)

~Prayer
