Bible Passage: Psalm 86:6-15

Sermon #1

Today's Big Idea

There is a great need for revival; we must learn what to do to prepare for God's great outpouring. I don't think there's a question in anyone's mind that our nation, city, and church needs revival. What are the keys to revival?

Main points:

- There is a great need for revival. We must learn what to do to prepare for God's great outpouring. Matt. 10:21-22
- The battle is spiritual. Eph. 6:12
- You can't fight a spiritual battle in the natural.
- The only one who can stop the forces of hell, is the God of Heaven.
- Samson was set apart to do battles with the Philistines. Judges 16:20
- The church can not be asleep in these times

- God's not looking for social clubs or "bless me" clubs.
- "It is easy to see how someone views the worth of another person by the attitude they show them and by how they treat them." -Sam Hinn
- Your attitude in worship shows God how valuable He is to you.
- "There are many of us that are willing to do great things for the Lord, but few of us are willing to do little things." -D.L. Moody
- If we are going to experience revival, then we must get back to the heart of worship.
- "A revival is nothing else than a new beginning of obedience to God." -Charles Finney
- Prayer builds a hedge, a wall of protection.
- The church is the watchmen of the city. Jeremiah 29:7
- "As long as we are content to live without revival, we will." -Leonard Ravenhill

Action Step:

God wants to send revival, but He's looking for someone who is willing to take revival seriously, and will embrace the fact that many people are lost. Choose to begin by praying for revival to breakout in our nation, city, and church.
