

Daily Prayer Reminder: The Prayer of Jabez

(Praying for Our Lives and Our Church)

Prayer points for Week of January 18th through January 25th

****Ignite Meeting on Thursday January 22th***

at 7:00 pm at the church*

Pray for Blessing

“Lord, bless me indeed—and bless our church.”

Ask God to advance your life beyond what you could accomplish on your own, not just to meet your needs but so you can be a blessing to others. Pray the same for our church—that God would pour out His favor, provide more than we need, and use us to bless families, serve our community, and make an eternal impact.

Pray for Influence

“Lord, enlarge my territory—and enlarge our reach.”

Ask God to expand your personal sphere of influence so your life can point others toward hope, love, and Christ. Pray that our church would have influence disproportionate to its size—shaping our region with kindness, justice, generosity, and the good news of Jesus.

Pray for Presence

“Let Your hand be with me—and rest upon our church.”

Ask for God’s presence to guide and empower you in places where you feel overwhelmed or inadequate. Pray that God’s hand would be clearly upon our church—that everything we do would be led by His Spirit, marked by His power, and effective only because His presence goes with us.

Pray for Protection

“Keep me from harm—and guard our church.”

Ask God to protect your heart, family, calling, and faith from spiritual attack and discouragement. Pray the same covering over our church—its leaders, families, ministries, and mission—standing firm in the authority of Jesus and trusting God to strengthen us in every spiritual battle.
