

It's Not What I Want

Jeremy Good Associate Pastor June 13, 2021

The Wrong Way to Approach "It's Not What I Want":

Barak - Refusing to MOVE FORWARD

Judges 4

Jonah - Throwing a HISSY FIT / TEMPER TANTRUM

Jonah 1-4

Wrong Approach Results:

- Lose our <u>HONOR</u> in the eyes of others
- Lose our own SELF-RESPECT
- STUNTS our spiritual growth
- DAMAGED relationships

Paul's Example (The Right Way):

Philippians 1:12-25

What we go through is not **RANDOM**

Philippians 1:12-14

What we want is not THE POINT

Philippians 1:15-18

- ♦ Share the Gospel
- ♦ Advance God's Kingdom
- What we think we want is not what WE REALLY WANT

Philippians 1:18-25; Romans 7:15-20

Memory Verse (Topic: It's Not What I Want)

Now I want you to know, brothers and sisters, that what has happened to me has actually served to advance the gospel.

Philippians 1:12 NIV
