

**Life Group Leader Guide**  
Final Gathering Of Season  
May 26 – June 1, 2019

This gathering is different than most life groups. This time we will focus primarily on fellowship and on prayer for the upcoming season – and celebrate the last year.

**We recommend the following format:**

- 60 minutes: Food/Fellowship
- 5 minutes: Video
- 25 minutes: Prayer sharing/actual prayer

When it is time to move into prayer, show the video and say something like:

*“Life Groups won’t be meeting again until September. What are you hoping God will do – or how can we best pray for you – in the season until life groups meet again?”*

*Facilitation Note:* If it feels like it would be better to move straight from food to prayer in your context (as opposed to changing rooms/environments), feel free to do so. However, we would like everyone gathered to hear Pastor Bob’s heart, so please play the video, even if it is from someone’s laptop.

*Thank you! And we look forward to gathering on June 30<sup>th</sup> as life group leaders!*
